I. Introduction, Statement of Emails Concerning Docket Submissions

This Affirmed Statement includes the text from the various emails which were required to submit documents to USCA5 since Clerk Order 5CC117 removed our privileges to file electronically with USCA5 ECF.

The USCA5 ELECTRONIC NOTICING AND FILING OPTIONS AVAILABLE TO PRO SE PARTIES concerning filing documents via the Pro Se Mailbox via the email address: Pro_se@ca5.uscourts.gov states:

> *Filing Instructions for the Pro Se Mailbox:*
>
> - You must put your case number in the subject line of your email
> - You may only attach one pdf document in an email. Send two emails to send your brief and record excerpts, for example.

However, there has been some confusion and delays in the processing of documents submitted in this fashion. This exhibit contains the emails where documents were submitted as well as notices from USCA5 ECF of documents filed. The notices are sent to my wife's email as my notices have been terminated along with my ability to file electronically.

Several separate emails have been listed in this single document with consistent formatting and a table of contents to permit easy access to the various emails. The text itself has been preserved as precisely as possible.
