BODA is an appellate body and will independently review the grievance and all supporting documentation that was considered when the classification decision was made. It is **not** a part of the State Bar of Texas or the Office of Chief Disciplinary Counsel.

Return this form to BODA within 30 days of the date you received the classification decision. By returning this form, you are asking BODA to review the classification as either an "inquiry" (grievance was dismissed) or a "complaint" (grievance was upgraded for investigation and further proceedings).

DO NOT SEND ANY ADDITIONAL INFORMATION TO BODA. BODA will obtain a complete copy of the grievance file from the Office of the Chief Disciplinary Counsel.

We will notify both parties in writing when this form has been received and the appeal docketed.
