Notice Type: Receipt Notice
Amount received: \$680.00 U.S.

Your conditional permanent resident status is extended for 24 months from the expiration date on your Form I-551, Permanent Resident Card (also known as a Green Card). During this extension, you are authorized to work and travel. This notice, presented with your expired Permanent Resident Card, is evidence of your status and work authorization. (This extension and authorization for employment and travel does not apply to you if your conditional permanent resident status has been terminated.)

If you think you will be outside of the United States for a year or more, you should apply for a Re-entry Permit before leaving the United States by filing Form I-131. Application for a Travel Document. As long as the Re-entry Permit is valid, it allows you to board a vessel or aircraft destined for the United States and/or apply for admission at a U.S. port of entry without the need to obtain a returning resident visa from a U.S. Embassy or U.S. Consulate. Although you generally will not be deemed to have abandoned your status as a conditional permanent resident based solely on the duration of your absences from the United States while the Re-entry Permit is valid, you are not exempt from compliance with any of the requirements of U.S. immigration laws. If USCIS is still adjudicating your Form I-751, then you may miss important USCIS notices, such as Requests for Evidence, or appointment notices for biometrics services or interviews, while you are outside of the United States. Failure to respond to these requests may result in denial of your Form I-751.

If you have not already done so, provide supporting documents to help USCIS process your petition and establish your eligibility to remove the conditions on your permanent residence. Please include a copy of this receipt notice with any supporting documentation you submit.

Please save this and any other notices about your case for your records. You should also keep copies of anything you send us, as well as proof of delivery. Have these records available when you contact us about your case.

If any of the above information is incorrect or you have any questions about the status of your case, please call the USCIS Contact Center (UCC) at 1-800-375-5283 (TDD number is 1-800-767-1833) or visit the USCIS website at www.uscis.gov. If you call us, please have your Alien Registration Number (A-Number) and/or the receipt number shown above. The receipt number is a tracking number for your case and will help with inquiries. Please note, you must submit any changes or corrections in writing to the mailing address at the bottom of this notice if you checked Item 1.e or 1.f under "Basis for Petition" on your Form I-751. You must include your A-number and receipt number in your signed request.

Processing time - Processing times vary by case type. Go to www.uscis.gov to see the current processing times listed by case type and office.

- View your case status on our website's Case Status Online page.
- You can also sign up to receive free email updates as we process your case.
- Most of the time your case is pending, the process status will not change. This is because we are working on cases that were filed before your case.
- When we make a decision on your case or if we need something from you, we will notify you by mail and update our systems.
- If you do not receive an initial decision or update from us within our current processing time, contact the UCC at 1-800-375-5283 or visit our website at www.uscis.gov.

Biometrics - We require collection of biometrics (fingerprints, a photo, and a signature) for some types of cases. If we need to collect biometrics from you, we will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for your biometrics services appointment. You must wait for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are:

- A passport or national photo ID issued by your country,
- A driver's license,
- A military photo ID, or
- A state-issued photo ID card.

If you receive more than one ASC appointment notice (even for different cases), take them both to the first appointment date.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

USCIS encourages you to sign up for a USCIS online account. To learn more about creating an account and the benefits, go to <https://www.uscis.gov/file-online>.
