CLASS NOTICE

**DATED: July 30, 2024**

**IMPORTANT CLASS NOTICE**

This Notice contains important information that may pertain to you. Please read it carefully. Under a proposed settlement of *Garcia Perez v. U.S. Citizenship and Immigration Services*, No. 2:22-cv-00806-JHC (W.D. Wash.), certain individuals who seek to file a complete Form I-589, *Application for Asylum and Withholding of Removal* (“Asylum Application”), or have already filed Form I-589, are entitled to new procedures relating to the crediting of time toward eligibility for employment authorization.

On June 9, 2022, Plaintiffs filed a class action complaint challenging the federal government’s practices with respect to Employment Authorization Documents (“EADs”) for applicants for asylum or withholding of removal who had their applications pending for more than 180 days. Plaintiffs are all noncitizens in the United States who have been placed in removal proceedings; have filed a complete Asylum Application; and have filed or will file a Form I-765, *Application for Employment Authorization* (“Form I-765”) pursuant to immigration regulations at 8 C.F.R. § 274a.12(c)(8). Defendants include U.S. Citizenship and Immigration Services (“USCIS”) and the Executive Office for Immigration Review (“EOIR”).

1 On July 29, 2024, Plaintiffs and Defendants filed a joint motion for class certification and joint  
2 motion for preliminary approval of a Settlement Agreement. The general terms of those motions  
3 are laid out below.

4 On July 30, 2024, the Court granted the Parties' joint motion for preliminary approval the

33 **WHERE CAN I FIND THE COMPLETE SETTLEMENT AGREEMENT?**

35 relief, and the exact terms of any process available for Class Members to seek review of an alleged  
36 violation of the Settlement Agreement, may be found at [www.nwirp.org](http://www.nwirp.org) and  
37 [immigrationlitigation.org](http://immigrationlitigation.org). In addition, this information is available on the USCIS website,  
38 [www.uscis.gov](http://www.uscis.gov), and the EOIR website, [www.usdoj.gov/eoir](http://www.usdoj.gov/eoir).

39 **WHO IS A *GARCIA PEREZ* CLASS MEMBER?**

40 This summary of the Class and Subclasses is meant to provide the general guidelines of who  
41 qualifies as a Class Member. The *Garcia Perez* Class is a nationwide class comprised of a general  
42 class and three subclasses. **There is no requirement and no process for applying for Class**

1 **Membership.** A person who falls within the categories enumerated below need not take any other  
action to be recognized as a Class Member.

2 **Garcia Perez Class**

3 All noncitizens in the United States who have filed or will file with USCIS or EOIR a complete  
4 Asylum Application and who would be eligible for employment authorization under  
5 8 C.F.R. § 274a.12(c)(8) but for the fact that their Asylum EAD Clock was stopped or not started  
6 prior to 180 days after the date the noncitizen filed a complete Asylum Application.

7 **Remand Subclass**

8 Class Members whose Asylum EAD Clocks were or will be stopped following a  
9 decision by an Immigration Judge and whose Asylum EAD Clocks are not or will not  
10 be started or restarted following an appeal in which either the Board of Immigration  
11 Appeals (“BIA”) or a federal court of appeals remands their case for further  
12 adjudication of their asylum and/or withholding of removal claims.

13 **Unaccompanied Children Subclass**

14 Class Members in removal proceedings who are unaccompanied children (“UCs”)  
15 pursuant to 6 U.S.C. § 279(g) and whose Asylum EAD Clocks are not started or will  
16 be stopped while waiting for USCIS to adjudicate the filed Asylum Application.

17 **Change of Venue Subclass**

18 Class Members in removal proceedings whose removal proceedings have been or will  
19 be transferred to a different Immigration Court through a granted change of venue  
20 motion, and for whom EOIR has stopped or will stop the Asylum EAD Clock based  
21 solely on the change of venue.

22 **WHAT BENEFITS ARE PROVIDED TO *GARCIA PEREZ* CLASS MEMBERS?**

23 This summary of the benefits available to Class Members is meant to provide the *general*  
24 guidelines of who qualifies as Class Members. A person who believes he or she is a Class Member  
25 and has been denied a *Garcia Perez* member benefit should first review the exact terms of the  
26 Settlement Agreement or seek legal assistance to do so.

27 **Garcia Perez Class Benefits:**

28 EOIR will provide written guidance to Immigration Judges directing them to clearly articulate the  
29 reason for the case adjournment on the record at the end of each hearing and that they may inform  
30 the parties of whether the Asylum EAD Clock is running or stopped. EOIR upgraded the EOIR  
31 Courts & Appeals System (“ECAS”) CASE Portal to include case-specific adjournment code  
32 history relating to the 180-day Asylum EAD Clock as part of the information available to  
33 applicants’ representatives of record. *Pro se* applicants may request, orally or in writing, a printout  
34 of their case-specific adjournment code history relating to the 180-day Asylum EAD Clock;  
35 Immigration Court personnel will be required to respond at the time of an in-person request or  
36 within twenty-five (25) business days of receipt of a request not made in-person. EOIR will publish  
37 guidance on its website to clarify the requirements, expectations, and procedures for individuals  
38 who contest the status of their Asylum EAD Clocks in proceedings before EOIR. An applicant  
39 may raise an Asylum EAD Clock correction request in writing or orally at an Immigration Court  
40 proceeding and will receive a response at the Immigration Court hearing or a written response  
41 within 25 business days of receipt of the request.

1 USCIS will modify its Case Status Online Tool (“CSOL”) to allow anyone with a pending Asylum  
2 Application to determine, in addition to their current case status, whether their Affirmative Asylum  
3 EAD Clock is stopped because of an applicant-caused delay and the total number of days accrued  
4 at the time of a stoppage. USCIS will revise the 180-Day Asylum EAD Clock Notice to provide  
5 an exhaustive list of clock-impacting events in the affirmative asylum process to increase  
6 applicants’ notice of consequences to their Asylum EAD Clock based on actions they take or fail  
7 to take. USCIS will provide a mechanism for applicants to request a correction of their Asylum  
8 EAD Clock through the eRequest Self-Service tool on the USCIS website. USCIS will also provide  
9 a mechanism for applicants to call the USCIS Contact Center, who will route the applicant’s  
10 inquiry to an asylum office. USCIS will generally respond to any Asylum EAD Clock correction  
11 request within 25 business days of receipt of a clock correction request. USCIS will update the  
12 agency’s public guidance to clarify further the requirements, expectations, and procedures for  
13 individuals who contest their Asylum EAD Clock information.

14 **Timeframe for benefits:**

15 EOIR will provide guidance regarding these benefits within ninety (90) days of the Effective  
16 Date of the Settlement Agreement.

17 USCIS will provide these updates within 180 days of the Effective Date of the Settlement  
18 Agreement.

19 **Remand Subclass Benefits:**

20 USCIS has updated the language on its website and clock notice to explain the time between an  
21 Immigration Judge’s asylum decision and a BIA remand or between a BIA decision and a federal  
22 court of appeals remand will be credited toward the 180-day Asylum EAD Clock. USCIS will  
23 update its message to include instructions that an applicant should submit a copy of the applicable  
24 remand order with their I-765 application.

25 **Timeframe for benefits:**

26 The updated language will remain in effect for the remainder of the Agreement.

27 **Unaccompanied Children Subclass Benefits:**

28 USCIS policies and guidelines will control the Asylum EAD Clock for UCs who have filed an  
29 Asylum Application. USCIS will issue guidance affirming that, with regard to unaccompanied  
30 children any adjournment code associated with the transfer of jurisdiction from EOIR to USCIS  
31 should not stop the 180-day Asylum EAD Clock.

32 **Timeframe for benefits:**

33 The updated language will remain in effect for the remainder of the Settlement Agreement.

34 **Change of Venue Subclass Benefits:**

35 A change of venue will not stop the 180-day Asylum EAD Clock in cases pending before EOIR.  
36 Defendants will update the adjournment codes for EOIR and USCIS to reflect that a change of  
37 venue does not stop the 180-day Asylum EAD Clock in cases pending before EOIR.

38 **Timeframe for benefits:**

39 This policy will remain in effect for the remainder of the Settlement Agreement.

## **WHAT IS THE EFFECTIVE DATE OF THE SETTLEMENT AGREEMENT?**

The *Garcia Perez* Settlement Agreement becomes effective upon the U.S. District Court's final approval of the Settlement Agreement.

## WHEN WILL THE SETTLEMENT AGREEMENT TERMINATE?

The *Garcia Perez* Settlement Agreement and all of the rights acquired under the Settlement Agreement, shall end four (4) years following the full implementation of all the terms of Agreement, or upon the Effective Date of Agreement plus six (6) years, whichever shall first occur.

## HOW DO I BRING A CLAIM UNDER THE SETTLEMENT AGREEMENT?
