FRCP Rule 60 Motion To Expedite

The Court has several pending motions before it which are fully briefed and ripe for the judge to decide. Of particular note are [FRCP Rule 60](#) Motions ECF 67, ECF 73, and ECF 76, each of which identified significant false statements in the courts' FCR (ECF 61) dated 27 Feb 2025 and, implicitly, the Order of 21 Mar 2025 (ECF 62). As these decisions are classified as government records it is my belief that the court has a moral, ethical, and, possibly, legal obligation to promptly correct the errors to limit the misunderstanding, confusion, and other harm which may result from the demonstrably false statements.

It is expected that when this motion is fully briefed all other pending motions will be similarly ripe for decision so this motion is a request for prompt decisions for all pending matters.

Respectfully submitted,

Verification of Motion

I, the undersigned Plaintiff, hereby affirm under penalty of perjury in both the United States and Thailand that:

1. I have reviewed the above motion and believe all of the statements to be true to the best of my knowledge.
2. I have reviewed the associated documents and exhibits and believe them to be true and accurate copies with the exception of the documents identified as being redacted. The redacted documents have only been altered in accordance with normal redaction procedures to remove sensitive personal information or other sensitive information as identified in the redaction.

I hereby reaffirm that the above is true to the best of my knowledge under penalty of perjury in both the United States and Thailand.
